1. Who will know what I'm doing after I do it; and do it I will and foolhardy not. I come to the fools not but the surrendered who have come into My meekness and surrender to My sensitivity, and My touches and caresses know, and who they're from and how now they expand they know.

2. I come to the surrendered meek and those who don't know won't know, or will they? Is there another time, an ending and beginning again, or an interlude of which you know not but will, if want to, surrendered enough/into.

3. Is that okay to say that way, to your sensitive readers and hearers who increasingly become so, in My presence? I love you.

4. Will who know? The surrendered, the immobile, stationed to their immovable faith in whatever they have faith in? See what I have said and slap not but weep for. Yea the unsurrendered who think they know Me, are they not the hardest/last to see, or will they be the first? You judge not. All in Father's/their hands and Father defers mainly to the surrendered meek.

5. And you, who do you surrender to, the arrogant religious? Why, having no authority in My kingdom but exercising authority in theirs and lauding it over all who will, even in My name/talk.

6. Who will know/yield to what I'm doing and how cataclysmic will/can cataclysmic be to the infinite power? Yea see all ballistic go and who can cover the earth with what? Light? From/in who? How/when? At evening (1)? I love you.

7. Who will come into Me for truth not religious, but truth not religious? Yea see. Is not plain in your sight? Whose glasses are you looking/thinking through/with? I say see/lift up your eyes and **who is that gray matter** and wherefore art thou a king or queen or bumblebee/grasshopper, or do/can you reign supreme in the heavenlies if surrendered and open eyes quest with, unafraid of religious truth-untruth'd? See and behold.

8. Where will you come into time to see Me and My words receive and know/see/believe/receive what I am doing and have done and; who are the meek? And what are they doing now? Flipping hamburgers and scratching out meager existences so temporarily before I lift them, them having given all to follow Me and friends, in the wee hours are with Me, and at all times coming/knowing My presence? I love you.

9. Who will contest My appearing? Who contested My resurrection? Who are you and **where your gray matter is you are**, or what does that mean? Can you ask Me and not man? Can you inquire of Me and expect Me patiently/questingly to communicate with you, upon your bed (2), upon the wee hours of time given to Me (3), alone, Me alone, and not television or music or even worship, but yea just sitting, kneeling/laying down in My presence and contemplating My words not; but as you still (4), receive of My love that heals, and wounds destroy so completely you heal the perpetrators, and yea learn of your own ignorance self-inflicting many wounds, yea maturing night after night, time after alone time with only Me.

10. What do you see?
What do you want?
Inquire.
Consider, still (4).
Lay down your religion/weapons.
See what I have said/asked and instructed.

11. Whose cup will I fill with what? Suffering, servitude? Nay, is that Father's heart or Lord God astray?

12. Who can see My sensitivity to My suffering church not; body, My body, My brethren, Zion, *yea who look nothing like you* but yea are, and are you not all one? Yea and why not? Who instructed you darkness to reject them/Me? I love you all. You are a priest in the order of Melchizedek, if chosen.

13. Where is your priesthood oh little flock who I lead to pastures mature if you let Me. Absorb Me, abscond not with truths few to help your wallet and think I'm blessing you. Run not.
Become still (4).
Become still.

Become My New Covenant.
Become who? Me.
You are, if/when surrendered to beauty, patience, meekness personified in Meekness, yea on whose throne do you sit/repel?

14. **Why are you waiting for Me to come when I am closer than your breath and behind your eyes?** I love you. Good day not, fantastic fantabulous and who will be Me? All that lay down their lies and say: "I of my own self can do nothing. I am Yours. I behold You not in fullness but I am willing. I shut you out/down no more. I receive my priesthood and I will be taught of You my Father. I love you. I trust you. I give you me."

15. What will I do with the surrendered childlike trust of one so surrendered to acts/lives that heart? Watch Me.
Watch Me nourish in the wee hours.
Watch Me caress.
Watch Me heal and tender be with the supersensitive that so slapped around have been, jarred by arrogance and religion and who/where is satan?

16. I will give you the keys; already have (5). I help you SEE them, for in you they are. Yea your power you adore, or surrender. And where is Zion?

17. Oh I yearn to eat every Passover with you; and you My friend Melchizedek all who will at My Feast of Tabernacles not, My feast for all surrendered/Feast of Tabernacles.

18. See what I have said so quickly as you write as fast as you can on My table in My coffeeshop of many who believe in Me. Thank you for stopping for tea, and Me.
I love you Ted.
I love you Ted.
I love you Ted.
And Friend reader hearer, friend-wannabe, I love you just as much and every time in every word see, see, SEE Me writing to you and you writing to Me; not just like Ted/anyone else, but you and Me writing communing with you and Me.
And SEE, the horizon expands and clouds rise and even though darkness reigns in so few/many will see My light arising in you.
And what did you say your name is, Melchizedek?
I love you.
Melamine (6) not, Melchizedek.

Smile. I love My humor. My body will too/also, yea so soon, for you will show them, teach them, and instruct them in surrendered meekness which joy comes in increasingly and humor unlocks, spreads joy far and wide.

19. I love you one-er of My words all for all religions, all time; and time and time and half time up.

20. See and believe.
See and receive.
See and seeing, you see who?
You are Me.
I love you My body, all of you, label'd and label-less and short of breath *and who span centuries*. I love you all.
My hosts smile.
I am My Hosts.

21. See and see each as one. *One in one is all*. Thank you. Go in peace. Peace reigns and your reign is peace and harmony for/in the surrendered. I thank you. Amen.
I love you. Good day.
Me
